Executive Director's Report
May 2017

- ❖ The Executive Director met with Dr. Scott Weir on May 2nd in reference to continuing as the Regional OMD for the FY 18 year.
- ❖ The Executive Director attended an Executive Board Meeting on May 3rd.
- ❖ The Executive Director attend the Regional Directors Meeting in Short Pump, VA on May 4th.
- ❖ The Executive Director attended the State Legislative & Planning Committee meeting in Short Pump, VA on May 5th.
- ❖ The Executive Director attended the Virginia Association of Governmental EMS Administrators meeting in Short Pump, VA on May 5th.
- ❖ The Executive Director attended the State EMS Advisory Board Meeting in Short Pump, VA on May 5th.
- ❖ Michelle Ludeman was hired as the permanent full-time Regional Coordinator beginning May 6th.
- ❖ Judy St. George was hired as the permanent part-time Administrative Assistant beginning May 6th. The Council is now fully staffed with two full-time and two part-time personnel.
- ❖ Tech II Jeff Kwak continues to help the council on light duty from Prince William County. We appreciate Prince William for lending him to us. He has been a great help in many areas. The Council would be happy to accommodate any light duty personnel you feel would be a benefit to the organization.
- ❖ The Executive Director attended the NOVA Chief's meeting on May 9th.
- ❖ The Executive Director and Regional Coordinator attended the Falls Church High School consolidated test site on May 10th and assisted OEMS with staffing and support.
- ❖ The Executive Director attended a meeting with Lifesize, a telemedicine vendor, along with regional physicians and partners to review a product for a proposed regional telemedicine program to improve stroke door to treatment time.
- ❖ The Executive Director attended a presentation hosted by Prince William Fire Department on lessons learned in the Paris and Brussels attacks. The presentation was given by Assistant Chief Michael Little of the Los Angeles Fire Department. The presentation was in high attendance by the area fire, EMS, and law enforcement leaders.
